# PELI-HARDIGG & THE MILITARY PARTNERS IN PERFORMANCE

For over half a century, Peli-Hardigg engineers have proudly developed custom solutions for the transport and packaging needs of the US Military. Our innovative products enable sensitive equipment to travel through hostile environments and arrive operational. Many of our models have been tested in the field as well as in combat situations. By developing custom solutions, testing new materials and continuously improving designs based on user feedback, we have been able to build this robust line of cases that proudly live up to the harsh demands of the military. We look forward to solving your toughest shipping issues and seriously encourage your requests for specific-need cases. After all, in the field, top-notch performance matters most.

## THE HIGHEST LEVEL OF CONFIDENCE IN THE FIELD

Peli-Hardigg Mobile Military Cases keep your sensitive and vital equipment safe from moisture, dust, sand, salt and even impact. Safe inside, your gear is protected against drop damage while the rib design maximizes stacking and stability en route. When you open a Peli-Hardigg Military case, be assured you'll find what you packed inside arrives fully operational. We know lives are counting on you, so you can count on us.

# MOBILEMASTER™

Sensitive equipment and crucial supplies arrive ready to deploy in Mobile Master 463L pallet-ready cases. Non-slip ribs stack all four sizes firmly together to get the maximum usable space per pallet while no moisture or contaminants get through to the supplies. Chemical resistance makes international delivery a breeze and lightweight materials let you pack more goods per shipment. By sea, air or truck – nothing ships more efficiently than Mobile Master.

# ADVANCED CASE SOLUTIONS™

PELI-HARDIGG ADVANCED CASE SOLUTIONS

## MISSION CRITICAL

Mission Critical operations are defined as those where equipment failure is simply not an option; where preventing the snowball effect of a single breakdown means stopping potentially catastrophic failures down the line.

Today's investment in the exacting protection of an Advanced Case Solutions custom protective case pays off with Mission Critical equipment reliability over time.

## PELI - HARDIGG

Advanced Case Solutions are the embodiment of Peli-Hardigg proficiencies across materials science, packaging engineering, project management and manufacturing. As the inventors of the industry standard cushioning curve formula, innovators in case design and experts in protecting high-tech military equipment – few challenges are beyond our capabilities. Our products have protected the most sensitive, state-of-the-art technologies deployed around the globe under the most exacting conditions by military, private sector and industrial customers. We are experts at Mission Critical success.

## OUR GUARANTEE OF PERFORMANCE

The final step in our customisation process is the application of an Advanced Case Solution Authenticity mark. This guarantees that every installation, part, accessory and design feature within your Advanced Custom Case Solutions product not only meets your needs but also lives up to our own Mission Critical standards. Equipment failure is not an option. The use of other aftermarket services and accessories voids this authenticity and jeopardises your mission success. It is our firm belief that to protect best, we must protect completely. Only authentic Peli-Hardigg Advanced Case Solutions™, quality controlled by our experienced engineering team from design through installation, can deliver Mission Critical guaranteed performance.
